Schedule 5 Conditions

This AOC is subject to the following conditions imposed pursuant to section 28BB(1)(a) of the *Civil Aviation Act 1988*.

Condition 1

The Reference Number must be used when the Civil Aviation Regulations 1988, the Civil Aviation Safety Regulations 1998, or an instrument made under any of these regulations requires a CASA reference number to be included in a Form or other document, for the purpose of the regulations or the instrument.

Note: The Reference Number is the certificate holder's original or "legacy" reference number to be used and cited as it has previously been used or cited.

...End this Section...

Condition 2

This version of the Operations Specifications replaces the current version on the 'effective date' expressed herein. In the meantime, the current Operations Specifications remains in force according to its terms.
