===== END OF SCHEDULE 1 =====

Schedule 2 to Certificate of Approval

Number: CASA.COA.0415 Revision: 6

Reference Number: 1-JMQ81

Approved activities set out in Schedule 1 are subject to the following conditions:

1. The Reference Number must be used when the Civil Aviation Regulations 1988, the Civil Aviation Safety Regulations 1998, or an instrument made under any of these regulations requires a CASA reference number to be included in a Form or other document, for the purpose of the regulations or the instrument.

Note: The Reference Number is the certificate holder's original or "legacy" reference number to be used and cited as it has previously been used or cited.

2. All maintenance carried out at temporary locations must be carried out in accordance with the provisions of Section 3 Paragraph 3.2.3 and Section 8 Paragraphs 8.1 and 8.2 of the Flight Maintenance Australia Pty Ltd Maintenance Procedures Manual. Proposed changes to these paragraphs must be accepted by CASA in writing before being implemented.
3. Component maintenance activities approved under this certificate are limited to those components that are fitted to, or eligible to be fitted to aircraft maintained under this certificate.
